

# Savanna Vacek

**Savanna Vacek** has a B.S. in Civil Engineering from the University of Nevada, Las Vegas, and is currently pursuing a M.S.E. in Civil and Environmental Engineering with a concentration in Water Resources/Environmental Engineering. Savanna was heavily involved in the UNLV community during her undergraduate, where she was Vice President of Engineers without Borders, Assistant Recruitment Chair of Sigma Kappa, an Undergraduate Research Assistant, a Resident Assistant, and CSUN Senator for the College of Engineering. She was able to work on 3 water quality projects during her time as an undergraduate, which were funded by the Nevada NASA Space Grant Consortium and Nevada National Science Foundation. As a graduate student, she is working on a project funded through the Nevada NASA Graduate Research Opportunity Fellowship.
